

Voting Guidelines

Those casting votes will have used the services of the company or person they are voting for, in the period May 2020 – November 2021. Any marketing campaigns undertaken during the voting period should be directed only to those who have used the company's/individual's services during the stated period.

The awards are FREE to enter and voting is encouraged through the extensive media and PR campaign. However, to maximise the chance of winning one of the highly sought-after trophies, it is recommended that companies make contact with clients and industry associates with whom they've had professional contact, asking them to register a vote and leave a comment at www.surreypropertyawards.co.uk

When voting, a valid email address must be submitted. The system will send an email verification link to that email address. This must be activated for the vote to register. The Promotional Edge (UK) Ltd will not pass any information to any third party or use it for any other purpose. Any personal data collected during the voting process will be treated in accordance with the event organiser's (The Promotional Edge (UK) Ltd) Privacy Policy which may be viewed at: www.thepromotionaledge.co.uk

The website produces weekly reports and votes are randomly checked. Votes that have not been verified are automatically discounted.

All votes and comments must be received before close of business on Friday 5th November 2021 when the link will close.

Results are filtered and collated by the website and are based on the volume of votes in relation to the category and a rating made for the quality of the comments if applicable.
